LIBRARY OF THE BOMBAY BRANCH OF THE ROYAL ASIATIC

GOVERNMENT OF BOMBAY.

GENERAL DEPARTMENT.

Resolution no. P. 52.

Bombay Castle, 3rd September 1928.

Read reports from the Commissioner in Sind and the Commissioners of Divisions on the administration of Local Boards in their respective charges during the year 1926-27.

RESOLUTION.—*Number of Boards.*—There was no change in the number of District and Taluka Local Boards.

2. *Constitution.*—All the Boards worked under non-official Presidents and Vice-Presidents. The total number of members in the Southern Division rose from 799 to 1,004 on account of the reconstitution of the District and Taluka Local Boards in all the districts except Bijapur and Dharwar, where the Boards were reconstituted in 1925-26. In the other divisions there was no change in the constitution of the District and Taluka Local Boards.

3. *Meetings.*—Particulars of the number of meetings held and of those which proved abortive for want of a quorum or were adjourned have been given in columns 16-18 of the statements nos. 1 (*a*) and 1 (*b*) appended to this review. Government note with regret that the District Local Board, Nawabshah, and the taluka local boards of Sampgaon, Bagewadi, Lâbdaria, Mirpurkhas, Digri, Chachro, Mithi, Diplo, Umarkot, Nagar Parkar, Nagar, Sangamner, Nasik, Niphad, Chandor, Khatav, Wada and Nadiad, failed to hold the prescribed number of meetings; while the Barsi Taluka Local Board which assembled on four occasions during the year failed to hold one meeting in each quarter as required by section 35 (1) of the Bombay Local Boards Act, 1923. Government also observe with some concern that the provisions of section 41 are too freely resorted to in Sind and by the District and Taluka Local Boards in the Surat District of the Northern Division. The attention of the defaulting Boards should again be drawn to the remarks made in paragraph 4 of the previous year's review on the administration of the Local Boards and they should be requested to conform to the requirements of the law in future.

4. *Income.*—The aggregate income of the Boards, excluding opening balances and debt, fell from Rs. 1,93,69,404 to Rs. 1,86,97,370. The principal variations under the main sources of revenue are explained below :—

(*a*) *Land Revenue.*—The receipts from this source decreased from Rs. 4,38,760 to Rs. 3,86,513. The decrease was mainly due to the drop in the receipts in Sind and the Southern Division.

(*b*) *Local Rates.*—The receipts from this source decreased from Rs. 48,84,221 to Rs. 45,05,843. Sind, the Northern Division and the Southern Division were responsible for the decrease. In the Northern Division it was due to the discontinuance in the Ahmedabad District of the levy of local fund cess on full assessment in talukdari villages and to the non-recovery of the cess in Broach, Kaira and Surat Districts, before the close of the year.

(*c*) *Police.*—The decrease in the receipts from Rs. 5,64,277 to Rs. 4,86,326 under this head was shared by all Divisions except Sind and was due to a fall in cattle pound receipts.

(*d*) *Education.*—The receipts under this head decreased from Rs. 89,55,646 to Rs. 87,58,049, Sind and the Central Division being responsible. In Sind the decrease was due to the transfer of Government contributions for primary education to the School Boards.

(*e*) *Medical.*—The receipts under this head decreased from Rs. 2,67,751 to Rs. 2,54,256.

(*f*) *Civil Works.*—The receipts under this head rose from Rs. 32,61,590 to Rs. 33,81,253, due to the enhanced realisations from ferries and tolls and additional grants received from Government for repairs to roads, village water supply, etc.

5. *Expenditure.*—The aggregate expenditure of the Boards chargeable to current revenues rose from Rs. 1,73,48,153 to Rs. 1,87,91,454. The principal variations under main heads are explained below :—

(*a*) *Administration.*—The expenditure under this head rose from Rs. 6,65,511 to Rs. 7,06,130. The increase was shared by all Divisions except the Northern Division and was due to new establishments, increased travelling allowances and increments.

(*b*) *Education.*—The expenditure under this head increased from Rs. 97,80,077 to Rs. 1,06,87,946, the increase being distributed over the Northern, Southern and Bombay Suburban Divisions. In the Northern Division the increase was due to the payment of the arrears of attendance allowance to teachers for past years and pension contribution thereon in all Districts except Thana. In the Southern Division it was the result of expenditure on Administrative Officers and travelling allowance paid to School Board members.

(*c*) *Medical.*—The expenditure under this head rose from Rs. 9,82,177 to Rs. 11,29,495. All the Divisions except the Southern Division are responsible for the increase, the main causes being (i) the payment of enhanced contributions to Government on account of the pay of medical officers in charge of local board dispensaries, (ii) the opening of additional dispensaries, and (iii) the enhanced expenditure on medicines.

(*d*) *Civil Works.*—The expenditure under this head rose from Rs. 50,52,006 to Rs. 53,48,032. The increase was contributed by all Divisions except Sind and was mainly on account of buildings, communications and water works.

6. *Closing Balances.*—The aggregate closing balances of all the Boards amounted to Rs. 50,89,225 against Rs. 67,94,174 in the previous year. Government regret to find that in spite of repeated warnings the closing balances in the case of most of the Boards are very largely in excess of the prescribed minima. The continuance of this feature indicates that there is still room for more careful budgetting as well as greater efficiency in the execution of the works for which provision has been made. Government consider that more attention should be paid in future to the preparation of budgets and that these should be framed with a view to approximating the estimated closing balances more nearly to the prescribed minimum balances.

7. *Works and Standing Committees.*—It is reported that Standing Committees have been appointed by all the local boards in the Northern Division and that these Committees have done useful work. In the Central Division, the District Local Boards of Ahmednagar, West Khandesh, Nasik, Poona, and Satara and a few taluka local boards have constituted both Standing and Works Committees. Those Boards which have not yet appointed Standing Committees as required under section 36 (1) of the Act VI of 1923, should be called upon to do so without any further delay.

8. *Village Panchayats.*—The working of Village Panchayats continues to be disappointing. One Collector has remarked that these institutions were founded far more on a basis of sentimental and political theory than because the village population wanted them and they have met the natural fate of institutions not suited to local requirements. While Government are not at present prepared to endorse fully this point of view, evidence is accumulating that a drastic revision of the conceptions upon which the Act of 1920 was founded is needed.

9. *Audit and Accounts.*—In the reports from Sind and the Bombay Suburban Division, no separate reference is made to the results of the audit of the Local Fund Accounts. The attention of the Commissioner in Sind and the Commissioner, Bombay Suburban Division, is again drawn to the remarks

made in paragraph 10 of the previous year's review. Government learn with regret that in the Northern Division there was a general tendency on the part of the Local Boards to delay the disposal of the audit notes. The Audit notes of the Ahmedabad and Thana District Local Boards in particular have brought to light some irregularities of a technical nature, *viz.* absence of the previous sanction of the proper authority for certain items of expenditure, overpayment of travelling allowance to local board members and accumulation of large surplus balances. In the accounts of the Bardoli and Jalalpore taluka local boards, false measurements of metal were found to have been recorded. At Prantij, a Taluka Local Board Overseer was found to have prepared a false muster roll and to have committed serious irregularities in accounts. The accounts of other local boards in the division have also revealed the too frequent occurrence of the following irregularities :—

(i) absence of proper verification of actual measurements of works,

(ii) non-observance of ordinary account rules and procedure,

(iii) slackness in enforcing strict adherence to the terms of agreements entered into with local board contractors,

(iv) inadequacy and superficiality of supervision.

In the Southern Division the audit notes report marked improvement in the accounts of the Boards, and the main criticisms were directed against expenditure in connection with the public works and the general tendency of members to draw excess travelling allowance on flimsy grounds. In Bijapur there was a case of embezzlement by a peon in the Bagalkot Taluka Board who was convicted and sentenced to suffer one year's imprisonment with a fine of Rs. 25. In the Central Division no serious mismanagement was noticed by the Examiner, Local Fund Accounts, in the accounts of the Local Boards except in Sholapur and Nasik. The serious irregularities in the working of the District Local Board, Sholapur, which were brought to light by the officer who was appointed under section 128 of the Bombay Local Boards Act to enquire into the affairs of the Board have resulted in its supersession for a period of three years with effect from 15th December 1927. In the case of the District Local Board, Nasik, also, an enquiry officer was appointed at the instance of the Collector of the District. The report is now before Government. The inspection notes on the accounts of the other local boards in the Division continue to draw attention to the following irregularities which have frequently been referred to in Audit in previous years—

(*a*) defective measurement books,

(*b*) rush of expenditure on works at the end of the year,

(*c*) want of completion certificates,

(*d*) deviations from sanctioned estimates.

10. *General Remarks.*—The reports of the Government officers who are in close touch with local affairs and in particular the audit notes of the Examiner, Local Fund Accounts, indicate that considerable improvement in the administration of the Boards is required and is possible. It is evident that really efficient administration will only be secured by an exhibition of greater zeal on the part of the members than is at present generally displayed. It is amply demonstrated that the degree of supervision at present applied to the conduct of affairs by the principal executive officers of the Boards is often less than is desirable.

Most of the Local Boards repeat the plea of poverty but persistently avoid increasing the local fund cess or tapping other possible sources of revenue. In their review which was issued last year, Government stressed the fact that any hopes of large additional grants by Government were doomed to meet with disappointment and it was pointed out that the extension in the number and degree of the amenities now provided could only be procured by discovering new sources of income.

A perusal of column 85 of statement no. II attached to this review will show that the average incidence of taxation per head of the population has fallen from Re. 0-5-1- to Re. 0-4-8, the maximum in the Bombay Suburban Division being Re. 0-8-3, and the minimum in the ~~Kolaba~~ District being

Re. 0-0-10. Government are not unaware that many difficulties lie in the way of proposals to increase taxation and that attempts to discover new sources of income are not popular but they are constrained to say that the existing burden is unreasonably low and could safely and equitably be increased and they, therefore, hope that the more responsible elements of the public will appreciate the facts of the situation and endeavour to grapple with them.

Government observe with regret that the Boards in Sind have not escaped the wave of communal feeling and that the proposals of certain Boards to tap new sources of revenues have been treated as communal questions. The Commissioner in Sind has reported that the Boards are becoming more and more conscious of the need of increasing medical facilities, especially for women, and have on the whole shown a commendable readiness to increase their sources of taxation. On account of administrative defects, however, the machinery for carrying out public works breaks down occasionally and there is a great deal of room for more public-spirited services on the part of the members in charge of works. Expert technical direction is also indispensable if the funds provided by the tax payers and by Government, are not to be wasted.

In the Northern Division the condition of the roads in the Surat and Thana Districts is not satisfactory. The District Local Board, Thana, obtains an income of over a lakh of rupees from tolls and should, therefore, be able to spend more for the improvement of roads. It would also appear open to the Surat District Local Board to increase its income by raising the rate of local fund cess or by levying tolls and thereby provide funds for road construction and maintenance. With the exception of Thana and the Panch Mahals, all the District Local Boards continue to refuse to take over the control of Primary Education within their respective areas.

In the Bombay Suburban Division the administration was progressive and the long pending question of the distribution of balances between the Thana and the Bombay Suburban District Local Boards has been amicably settled.

In the Central Division, it is noticeable that some of the local boards are lavish in making contributions to institutions which the School Boards are under no obligation to support, while they complain of insufficiency of funds and clamour for more grants from provincial funds for their own pressing needs. The Boards not only make contributions to institutions within their own limits but to others outside their jurisdiction which have no right to expect help from them. The District Local Board, West Khandesh, is most conspicuous in this regard. It is a promising feature that the District Local Board, Satara, has promoted the formation of Taluka Development Associations and given a grant for them.

In the Southern Division the complete reconstitution of the Boards and the transfer of the control of primary education to the School Boards were the main events of the year. All District Local Boards except Kanara have appointed qualified Engineers and it is hoped that the Kanara District Local Board will follow other Boards and take up the question of providing itself with a competent technical officer in the near future.

11. The services of the following gentlemen have been mentioned as having been of special value to the districts in which they held office :—

Mr. S. S. Naik, President, Bombay Suburban District Local Board,

Khan Bahadur H. J. Antia, Chief Officer, Bombay Suburban District Local Board,

Rao Bahadur Shewaram Dewanmal, President, District Local Board, Karachi,

Khan Bahadur B. C. Divecha, President, District Local Board, Thana,

* The Village Panchayat at Kudal entered in the last year's statement lapsed during the year.

† These three Village Panchayats are newly established during the year.

‡ Twenty villages under section 3 of the Bombay Village Panchayat Act, 1920, were declared to be villages for the purposes of establishing Panchayats (*vide Bombay Government Gazette*, dated 25th March 1926, Part Ia, page 36, No. L.B.D.-1-3) but election at only 12 villages took place. At Malsiras a re-election was held on 8th August 1927 and it was unsuccessful as there was no candidate. The remaining 7 Panchayats have been cancelled as no candidate stood for election (*vide* No. L.B.D.-1-3, dated 3rd March 1927, at page 41 of the *Bombay Government Gazette*, Part Ia).

§ Election not successful.
